

NOTICE OF PUBLIC MEETING 2021-2029 HOUSING ELEMENT WORKSHOP

Since 1969, California has required that all local governments adequately plan to meet the housing needs it has established for the community. The State of California has assigned the City the responsibility to plan for approximately 2,400 housing units between 2021-2029. Cities throughout the SCAG region are required to update their housing elements by October 2021. The Planning Commission will be holding another Housing Element Workshop on April 28, 2021, to discuss strategies to comply with this state mandate. Specifically, City staff will present its draft "candidate" housing sites inventory and discuss potential zoning strategies to meet its state-mandated housing requirement.

The Planning Commission meeting has been scheduled as follows:

When: Wednesday, April 28, 2021

**Where: City Council Chambers
4845 Casa Loma Avenue
Yorba Linda, CA 92886**

Time: 5:00 P.M.
